

Bruce Edward Lawrence

Born: 12 January 1943 – 5 July 1968

(aged 25)

Major Lawrence was a member of the 557th Tactical Fighter Squadron, Cam Ranh Bay Airbase, South Vietnam. On July 5 1968, he was the navigator of a McDonnell Douglas Phantom II Fighter (F-4C) on an armed reconnaissance over Quang Binh, North Vietnam, when his aircraft was hit by a hostile missile and exploded. His remains have been recovered and identified on May 31, 2011.
