

Class of 1970 – Robert Carl “Rob” Jolly.

Rob Jolly has become one of a small handful of Tech High School Historians. He has collected every Tech High Annual since the first one was printed in 1928 at the location on Poplar Ave. These yearbooks are now on-line for all Tech High Alumni to enjoy. Rob was very active at Tech as President of the Class of 1970, President of the International Thespian Society, President of the

National Forensics League and President of the International Key Club. After college he started Rob Jolly Roofing LLC with his wife Marie. They have been awarded the Germantown Roofer of the Year 14 times in a row. Also, a teacher at Hutchison and S.B.E.C. and directed over 160 theater productions. His real love in life is being in the Ministry of Christ; having taught the Bible and developing a curriculum using stick figures and acting to children and adults for over 45 years. He has gone on Missionary trips where he has taught thousands of children in other countries using his teaching materials, methods, and interpreters. Rob Jolly shares his vast Tech collection with class reunions and alumni.
