

Charles Allen Roe, Jr., T-43

2 March 1925 – 31 March 1945

(aged 20)

Second Lieutenant Charles A. Roe, Jr., 20, Tech High graduate, is reported missing since a flight over Austria on March 31, 1945. He was piloting a B-24 Liberator heavy bomber.

In his last letter to his parents, Mr. and Mrs. Charles A. Roe, Sr., 755 N. McNeil, he wrote that he had been on 19 missions.

He was born in Memphis and went into the service from Tech High. He went overseas early this year.

He has two brothers, Donald Eugene Roe and Meddill Roe, both of Memphis.
